OPIS FUNKCIONALNOSTI SAJTA

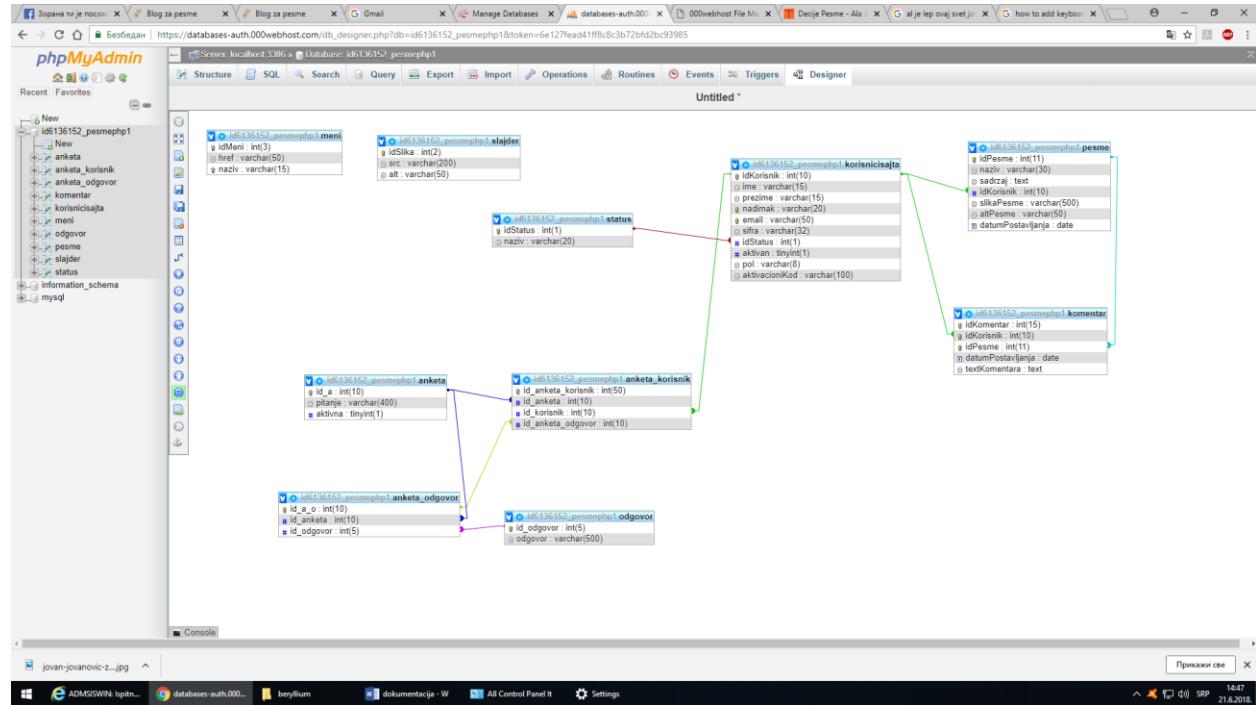

Ovoj sajt predstavlja blog za pesme.

Osnovne funkcije:

- Bilo koji korisnik može da čita pesme koje se nalaze na sajtu, može da se obrati administratoru sajta putem e-maila.
- Autorizovani korsisnici mogu da postavljaju pesme, da vide komentare pesama, I da komentarišu pesme.
- Svaki autorizovan korisnik ima pristup stranici na kojoj se nalaze podaci o njemu, pesme koje je postavio, ima mogućnost brisanja I dodavanja pesama putem te stranice.
- Na sajtu postoje ankete koje mogu de popune autorizovani korisnici (samo jednom). Unos ankete se vrši samo direktno iz baze.
- Da bi se korisnik registrovao mora da verifikuje nalog pomoću e-maila.
- Administrator sajta preko stranice Admin panel ima mogućnosti da:
 - Unosi, briše, I menja korisnike
 - Unosi briše I menja navigacioni meni
 - Unosi I briše uloge koje korisnika koje postoje na sajtu
 - Unosi komentare (u ime odabranog korisnika), I briše komentarne
 - Unosi I briše slike u galeriji
 - Unosi pesme (u ime odabranog korisnika), I briše
- Svi podaci se iščitavaju iz baze osim na stranici Autor I Kontakt.
- Linkovi u navigacionom meniju se sakrivaju/prikazuju u zavisnosti od uloge korisnika

Ovo je prikaz stranice kontakt, za svakog korisnika je isti prikaz. Na njoj se nalazi forma koju korisnik popunjava ako želi da pošalje e-mail administrator. Da bi poslao mail administrator mora da unese e-mail i šifru tog e-maila. Takva je projektna odluka da bih sprečila slanje nepotrebnih e-mailova.

Pesme (page je login jer sam ga pogrešno nazvala ali prikazje no što treba, I nema veze sa stranicom za logovanje)

Ovo je prikaz stranice pesme, za svakog korisnika je isti. Na ovoj stranici se iz baze iščitavaju sve pesme koje su postavljali korisnici sajta.

<https://blogpesme.000webhostapp.com/index.php?page=galerija>

Galerija- svim korisnicima isti prikaz

The screenshot shows a grid of eight poem cards, each with a small image and a poem snippet. The cards are arranged in two rows of four. The poems are:

- Postoji ta jedna osoba, kod koje bih otlijao sad, probudio je, pa zasnoj kraj oje...
- Ljutiš se, svadaš se, nerviraš se... Ali nikada ne odlaziš od osobe koju volis
- A ja bih sam da te snažno zagrimim, i da nikad ne pustim
- Ti si znao i kroz daljnju da mi budes uvek blizu...
- Srce ne zna za vreme i daljinu, Srce samo za kome pripada i gde treba biti...
- To što joj česta idej na živcu, ne znači da te ne voli. Naprotiv, to znači da joj je stalo.
- Ja imam 3 stvari Sunce, meseč i tebe, Sunce za dan,
- Nekad mi toliko nedostajšeš da poželim da te izvadim iz misli i zagrim u stvarnosti...
- Sa tehom i na kraj sveta...

The page has a red header bar with navigation links: Početna, Kontakt, Pesme, Galerija, Autor. There is also a login form at the top.

<https://blogpesme.000webhostapp.com/index.php?page=autor>

The screenshot shows the author's profile page. It features a large image of the author, Milica Ivančić, holding a hedgehog. Below the image is a bio section titled "Podaci o autoru".

Zovem se Milica Ivančić. Rodena sam 05. 03. 1998. godine u Beogradu. Student sam Visoke ICT škole. Završila sam srednju tehničku PTT školu. Takođe sam i volontor u nevladinoj Organizaciji kreativnog okupljanja "OKC".

Ovaj sajt je posvećen ljubiteljima pesama! Nadam se da će vam ovaj sajt znaciti, i da ćete dobiti dobre kritike za vase pesme.

Program u kom se sam kucala kod za ovaj sajt je Visual Studio Code

Ovoj stranici samo administrator ima pristup. Pomoću nje održuje sve svoje obaveze na sajtu, osim unosa ankete, to mora direktno iz baze.

Administrator sajta preko stranice Admin panel ima mogućnosti da:

- Unosi, briše, i menja korisnike
- Unosi briše i menja navigacioni meni
- Unosi i briše uloge koje korisnika koje postoje na sajtu
- Unosi komentare (u ime odabranog korisnika), i briše komentarne
- Unosi i briše slike u galeriji
- Unosi pesme (u ime odabranog korisnika), i briše

<https://blogpesme.000webhostapp.com/index.php?page=korisnik>

Moj nalog

The screenshot shows a web browser window with multiple tabs open. The active tab displays a user profile for 'Milica Ivančić' (AdminMicika). The page has a header with two open book icons and the word 'Pesme'. Below the header is a navigation menu with links: Početna, Kontakt, Pesme, Galerija, Admin panel, Moj nalog, Anketa, Autor, Odjavi se. The main content area shows the user's name and nickname. Below that is a red button labeled 'Obrisati pesmu'. A section titled 'PESME KOJE JE KORISNIK POSTAVIO' lists two songs: 'PEPEO' and 'ČEŽNJA'. Each song entry includes the title, lyrics, and a red 'Obrisati pesmu' button. The background of the browser window shows a file manager interface with various files listed.

Stranica za registrovanog korisnika (Moj nalog) Prikazuje ime, prezime, nickname korisnika, i pesme koje je taj korisnik postavio. Korisnik na ovj stranici može da obriše svoju pesmu, i da doda pesmu.

<https://blogpesme.000webhostapp.com/index.php?page=anketa>

The screenshot shows a web browser window with multiple tabs open. The active tab displays a survey titled "Pesme". The survey consists of two questions:

1. Da li vam se sviđa sajt?
Da
Potvrdi
2. Da li volite pesme
Da
Potvrdi

The browser's address bar shows the URL: <https://blogpesme.000webhostapp.com/index.php?page=anketa>. The status bar at the bottom right indicates the time as 6:16 PM and the date as 6/20/2018.

Ovoj stranici imaju pristup samo registrovani korsinici. Anketu mogu popuniti samo jednom.

<https://blogpesme.000webhostapp.com/index.php?page=dodajpesmu>
(Korisnik unosi pesmu)

The screenshot shows a web page with a light blue header featuring two open book icons. The word "Pesme" is centered between them. Below the header is a navigation bar with links: Početna, Kontakt, Pesme, Galerija, Admin panel, Moj nalog, Anketa, Autor, and Odjavi se. A red-bordered box contains the "Unesite pesmu" (Enter song) form. Inside the form, there is a text input field labeled "Naziv pesme:" (Song title:), a file input field labeled "Unesite sliku" (Upload image:), and a dropdown menu labeled "Ime korisnika koji komentariše:" (Name of the user who comments:). The dropdown menu has three options: "Izaberite" (Select), "Unesi ulogu" (Enter role), and "Nije odabran" (Not selected).

Na ovu stranicu korisnik stiže klikom na link unesi pesmu koji se nalazi na stranici moj nalog. Ima prikazanu formu koju treba da popuni da bi uneo pesmu. Ako su podaci validni pesma će se upisati u bazu, i automatski će se nalaziti na stranici Moj nalog, i na stranici za pesme.

<https://blogpesme.000webhostapp.com/post.php?id=15>

SAN

I mislim da sajam
dok gledam te kako leti,
kako vole me
da za mene ty zoveš godis.
Ne zelim da se probudim
jer zelim da te poljubim,
a onda s tobom poljem.

Autor pesme je Alaki

Ovo je moja prva pesma, nadam se da će vam se svideti :)

Uzkuće ce bit još. Ko hocete moze da predlozi neki ideje

Autore komentara je Aleks

Jako lepo,amo nastaviti tako! :)

Autore komentara je Jaka

Pohvali komentar

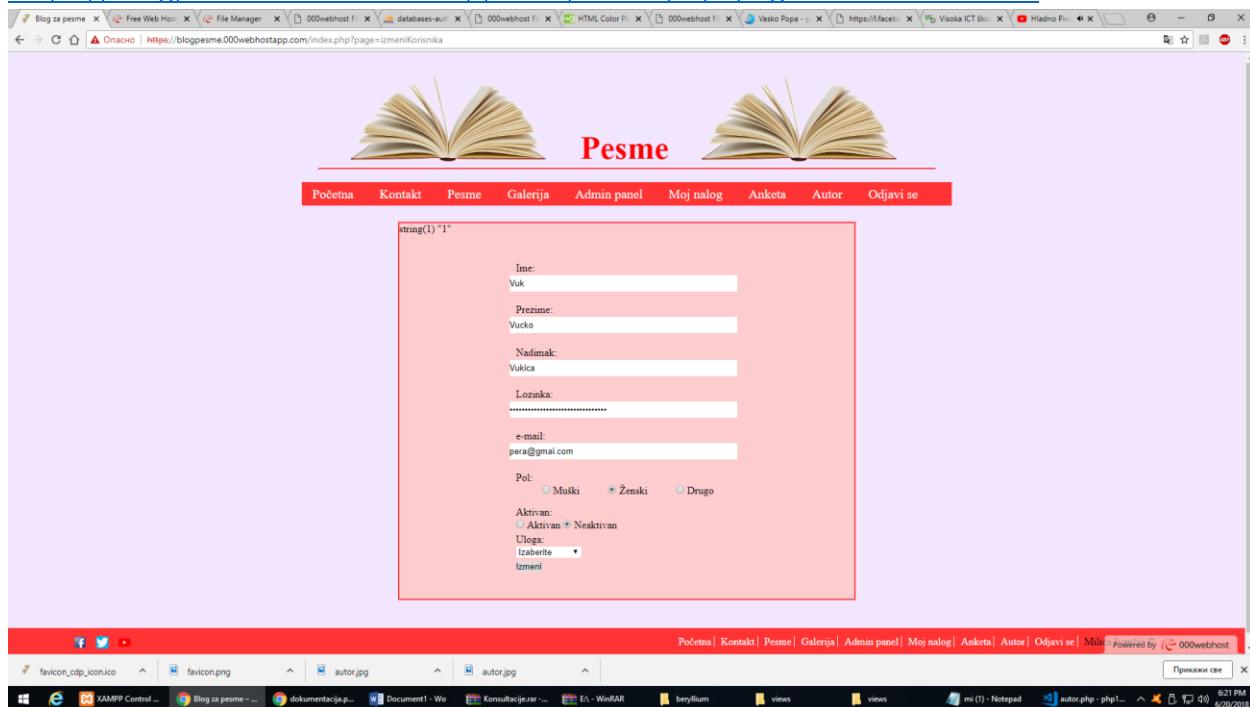

Na ovu stranicu korisnik dolazi kada klikne na link pročitaj više koji se nalazi ispod svake pesme na stanicu pesme. I index. Na njoj se prikazuje cela pesma, sa komentarima, i forma za unos komentara, autorizovanim korisnicima, a neautorizovanim se samo prikazuje cela pesma bez komentara i mogućnosti komentarisanja.

AL JE LEP OVAJ SVET

Ali je lep
Onde svet,
Onde potok,
Onde cvet,
Tamo svitka,
Onde sad,
Evo sunce,
Evo hlad!
Tamo divljava,
Glas putni,
Onde travu,
Onde zvun,
Slavuj pesmom
Ljulja lug
Ja ga slusam
I moj drug.

Autor pesme je Deki
